

ABOUT US

Named for My Mother, Barbara

All my life, I have watched my mother give of herself to others: handmade handkerchiefs for seniors, words of encouragement for young people, and a lifetime of caring for the sick as a nurse. Barbara's Light carries her light forward as a beacon of love, compassion, safety, and help. Our focus is to bring honor, independence, and security to everyone we serve.

Let Barbara's Light help guide you along the way. — Rayshon Todd, Founder
